### **Neighborhood Match - Eligible Components**

Your total match package can include components from any combination of the following three categories.

- **Volunteer labor** valued at \$15 per hour. Volunteer hours are also called "in-kind" match.
- **Donated materials or supplies** such as art materials, office supplies or equipment, lumber or trees. Such donations are also called "in-kind" match.
- **Cash** that you have "in hand" such as dues paid to your organization and approved for use on your project, or cash and checks you have already collected for your project by going door to door in your neighborhood. Or it can be money that you will raise by getting pledges from neighborhood organizations and businesses; also grants for your project foundations and other entities.

## **Neighborhood Match - Prove You've Got It!**

A key to making your application competitive it is to demonstrate that your neighborhood match is ready to go. There are a number of options you can use to prove that your cash match, in-kind materials, and/or in-kind volunteer time is secured. **Verification must be submitted with your application.**

### **1. Volunteer Time (also called In-Kind Match)**

- HAND has two forms that must be completed to verify volunteer time commitments, they are the Volunteer **Commitment Form** and the **Volunteer Hours Computation Sheet**.
- **Pledge letters** from community organizations, agency volunteer coordinators, etc. stating they will personally be responsible for rounding up a specific number of their members for a specific number of hours to do specific tasks. For example, "I will ensure that 10 members of Golden Glee Club will work 6 hours on Saturday, September 10, 2007, amending soil and planting trees and bushes for the Glory Heights Park Project."

### **2. Donations of Materials, Supplies and Things (the other type of In-Kind Match)**

- **Pledge letters** on company letterhead pledging a specific material donation and its retail value. For example, "\$400 in lumber from Black Hardware to build a tool shed for the Golden Glee Community Garden," or \$50 donated to photocopying for one-time printing of a newsletter to boost membership in the Golden Heights Neighborhood Association."
- **Invoice or bid form** showing type of donation and value. For example, "\$75 for a 2 man post hole gas auger, on June 19, 2007 to construct a fence for the Golden Heights garden project."

### **3. Cash Match**

- **Photocopies of bank statements** - If you have already collected your cash match, a copy of a recent bank statement for the account in which you are holding the funds is a good way to show that you are ready to proceed.
- **Photocopies of checks** - This is a good way to show both that you have the money in hand and how many people from your community pitched in to help you achieve your fundraising goal.
- **Photocopies of commitment letters** - If your project has been granted or promised funding you can provide letters of commitment from the donors or funders on their letterhead.

### **Neighborhood Match - Requirements**

- 10% of your match has to be cash.
- Your match components must be appropriate to the goals of your project.
- Your match must be expended during the life of the project - neither before an award is made nor after the contract has ended.
- At least 25% of your required match package must come from the neighborhood itself, as opposed to other funders, the School District or other government bodies.
- You cannot count your time spent preparing your application or time spent fundraising for your project as a match.
- Professional services or skilled labor can be donated as match or hired for a fee, but professionals who donate their services cannot also receive compensation from the award money. This ensures that persons hired to provide services are selected on the basis of their qualifications, not on their ability to donate services.
- The neighborhood will be awarded a Funding Agreement with amount of the award along with specification of activities to be preformed. Any volunteer hours or expenditures will not be allowed before the date of the Funding Agreement.
- Neighborhood is responsible for a final report that includes the following: one page summary of the project, pictures of the project, completed Volunteer Commitment Form, Volunteer Hours Computation Sheet and Grant Report Sheet.
- There must be a Release, Hold-Harmless and Indemnification Agreement signed and dated for each volunteer listed on the final report. If the volunteer is a minor under the age of 18, the parents must sign the Agreement.
- If the neighborhood is going to encounter a problem with completion of the project after the stated time in the Funding Agreement, the neighborhood must contact the HAND office for an extension.

**All promotional pieces which receive any funding through this grant program must include the following mandatory grant identification statement: “Funding provided in part through the City of Bloomington’s Housing and Neighborhood Development Department Small and Simple Grant Program.”**
